

AGCAS
AWARDS FOR
EXCELLENCE

Sustainability Impact Award

Criteria

Who the Award is for AGCAS member services

Who we are seeking nominations from services able to demonstrate achieving significant sustainability-related outcomes using minimal and/or limited resources using methods such as collaboration, changing practices or identifying new opportunities. This can include social and environmental sustainable recovery from the Covid-19 pandemic that have been embedded and will be sustained in the future.

Judges will be looking for qualitative and quantitative evidence against the criteria below:

- Positive **outcomes/impact** for stakeholders and/or higher education careers and employability sector (including stakeholder feedback, e.g. quotes) (6 points)
- Demonstrable **innovation** in order to achieve better outcomes or make better use of resources (6 points)
- Demonstrable evidence of **creating value** to the organisation and/or sector that extends beyond expected timescales, initial aims and objectives (4 points)
- Qualitative and quantitative **evidence of impact** (4 points)
